Notes on uniform:

- We believe all children should wear uniform as it encourages a vital sense of community, team spirit and equality. While in uniform, our pupils can be proud to represent our school, while we can be proud of how their behaviour and achievements reflect on us.
- A number of items with the school logo, such as sweatshirts, cardigans, tops and PE hoodies, can be purchased directly from school using the attached order form. Please note that you don't have to buy them from us – you are welcome to purchase similar items without the logo, along with all other items of uniform listed above, from shops such as ASDA, Next, M&S etc.
- Our school PTA regularly runs second-hand uniform sales – please email pta@valley-road.oxon.sch.uk to find the date of the next sale. If you need assistance with funds towards the cost of uniform please visit www.henleyeducationaltrust.com to learn more about how this local charity can help.
- All school shoes should be plain black with a low heel.
- Only plain stud earrings are permitted. These will need to be taken out or taped over during PE. No other jewellery, please.
- If your child has any sensory / medical issues regarding wearing uniform please let us know.
